HACKATHON GUIDELINES

Eligibility

- **Engineering Students**: Open to 2nd and 3rd-year students.
- **Arts/Science Students**: Open to all students from 1st year to final year.

Composition of Teams

1. Teams must comprise a minimum of **3 members** and a maximum of **5 members** from the same college.
2. All team members must belong to the **same year of study**.
3. Teams can be **multidisciplinary**, incorporating students from different disciplines.
4. Each participant can join only **one team**.

Registration Process

1. Each college will be provided with a **unique login ID** for registration. Registrations can only be completed through the college's login.
2. A faculty member from each college must be nominated to **coordinate the registration process**.
3. Each college can submit a **maximum of 2 teams** per problem statement.
4. Queries or challenges related to the registration process can be addressed via the official email ID: **xyz@tansche.in**.

Submission of Abstracts

1. Participants must strictly adhere to the deadlines for **registration** and **submission of ideas**. Late submissions will not be entertained.
2. Submissions must follow the **prescribed format**.
3. All submissions must be original work created specifically for the event. **Pre-existing works or ideas** will not be accepted unless explicitly stated otherwise.

Timelines

1. **Announcement of Hackathon**: Release of event details and problem statements.
2. **Submission of Abstracts**: Participants submit their initial ideas or abstracts.

3. **Evaluation of Abstracts**: Abstracts will be reviewed, and selected projects will be announced.

4. **Preparation Period**: Time provided for teams to prepare for the finale.

5. **Finale**: Teams present their final solutions to the panel.

Code of Conduct

- **Professional Behavior**: Participants must maintain respect and professionalism toward other participants, mentors, and organizers.

- **Ethical Standards**: Plagiarism, harassment, or any unethical practices are strictly prohibited.

- **Inclusivity**: Promote diversity, equity, and inclusion throughout the event.

Evaluation Criteria

Key Attributes	Description	Score
Idea	How well the idea addresses the problem statement.	10
	Level of innovation and uniqueness of the idea.	10
Implementation	Effectiveness of the solution in addressing the problem without additional complications.	10
	Complexity or simplicity of the solution.	10
Scalability	Feasibility of implementing the solution in real-life scenarios, including market potential.	10
Presentation	Clarity and quality of communication during the presentation.	5
Additional Advantages	Social impact, environmental benefits, and scope for future improvements.	5
Total		**60**
